

Dear Mrs. Manly, - I ~~stold~~ see to  
send in uniforms ad vance.

Enclosed are those I can remember  
so they will have to be final.

I also included my expenses  
to August 1st.

I think they are very small  
as I actually spent over twice  
as much.

It has been customary to settle all  
this at East-West game.

Each club is charged \$400 for the  
season. Don't take my salary out of Grays.

Insist upon Tom and Eds expense, also  
Eds percentage from Yankee Stadium games,

Also put in for your salary and expense Cm.  
over

They attempted to ignore me altogether  
on East-West game be dealing with  
Gottlieb. I wrote Gottlieb to stay  
out of it and called Martin.

Things are going along O. K. by now.  
I have Wendell Smith and a girl  
sending E. W. dope to Eastern  
Papers.

Don't kick on their bill as they  
are working independent of  
Ogden Connor on their side here.

It will be a small bill for  
1942 and 1943.
